WORKCAMP PERSONAL ACCOUNT COMMITMENT

By signing up to be a member of the Workcamp Group, you have made a very large time and financial commitment to the entire group. Each participant must commit to raising funds and have your account up to date as outlined in the Pay-As-You-Go Policy. To ensure that you understand this commitment, we ask you to read and sign the following statements:

I understand that if I decide to back out of the Workcamp group, all monies in my account (whether raised through fund raising or deposited from my personal funds) will stay in the account for the benefit of the person who takes my place.

My Camp T-shirt will be returned if I am not able to complete this year's trip.

If the St. Kilian Youth Mission Group is unable to find another person to fill my spot, the monies will be used to defray the cost of my spot to the rest of the group.

To participate in Van selection at the May 19th meeting I understand my account will be paid in full and all forms will be turned in prior to the meeting.
