

St. Kilian Religious Education Attendance Policy – 2011-12

Please read through the attendance policy, sign that you have read it, and return the bottom part of the sheet to the Religious Education Office along with your registration.

- Due to the limited amount of classes, students are expected to attend every class. There are only 24 classes per year which amounts to 24 hours of religious formation for 4K-Grade 7 and 36 hours for Grades 8-11.
- We understand that there are times that a student cannot be in attendance due to illness or a family commitment.
- Students are expected to complete the lessons that have been presented in class when they are not in attendance.
 - **For students in 4K & 5K**, lessons will be sent home for parents to complete with their children.
 - **For students in Grades 1-8**, this could include using their books to read through and complete the chapter, doing the unit review, completing the end of year test, etc.
 - **For students in Grades 9-11**, this could include reading through material provided that was presented by the Catechist, completing one or more questions, or writing a reflection paper based on the topic presented.
 - **Catechists will let the students know what work needs to be completed and will follow up that it has been finished.**
- **Grades 9-11 - If a student misses more than two classes per semester**, there will be a make-up session scheduled that they will be required to attend. Parents will be notified when and where this session will take place.
- **PLEASE NOTE: If a student fails to complete the necessary assignments and to attend the make-up session, they will not move on to the next grade level or if in the Grade 11 class, Confirmation may be delayed.**

Please sign, detach, and return with your registration:

At my child's Baptism I promised to raise my child in the ways of the faith. I do this by taking them to Mass on Sunday, teaching them to pray, providing them with the opportunity for religious formation, and bringing them into the Sacramental life of the Church.

I understand my responsibility and support the St. Kilian Religious Education Program's policies. I have read the attendance policy and will assist my child/ren in completing the necessary requirements.
