

St. Kilian's Technology Program Chocolate Bar Fundraiser

Dear Parents,

In the past St. Kilian School had used the Entertainment Book fundraiser to help establish a stronger technology program for our students. This fundraising choice has been growing in popularity throughout the community making it harder to sell and ultimately bringing in less money. This year we have decided to replace the Entertainment Book sales with a new fundraiser, the \$1 Candy Bar. This fundraiser has a specific and urgent purpose: to help replace aging network infrastructure in the form of new network components, replacement of our expiring internet filter and our continued push for Smartboards. Below are some of the details on the product and the fundraiser:

- Students will be selling the \$1 Stock Chocolate Bar Variety Pack from 'World's Finest Chocolate'
- Each case includes 50 bars consisting of five different chocolate bar flavors
 - 15 - Milk Chocolate with Almonds
 - 10 - Carmel Bars
 - 5 - Dark Chocolate with Almonds
 - 10 - Milk Chocolate Bars
 - 10 - W.F. Crisp® Bars
- Each **family** is asked to sell one case of candy bars (If you want to sell more that would be great!!)
- To make the financial side of the fundraiser more efficient \$50 (the cost for 1 box) will be added to your tuition bill for each box of candy bars sold. When you sell your \$50 worth of bars you simply keep all the funds generated by the sale of the box (you keep all \$50 of proceeds)
- Purchased boxes are non-returnable so any bars not sold cannot be returned.
- For those not interested in participating in the selling, there is an alternative option to pay out the profits expected from the sale of the case of candy bars. For those choosing this option \$25 will be added to the tuition bill for each family
- Rather than turn to a mandatory "technology fee" for each student as many schools have, the committee thought this option would be the most economical for all families
- If you wish to order additional boxes at a later date or to get more information please visit the below link:

The candy bar cases will be available for pick up in early November. Please sign and return this form to the School Office no later than **Wednesday Oct. 27th**.

***Again please note that all money transactions will be handled thru your tuition bill.**

_____ **I do** want to sell _____ **box(es)** of candy bars, for which \$50 will be added to my tuition bill and I will keep the \$50 generated by the sale of each box.

_____ **I do not** wish to sell any candy bars and would prefer to have the \$25 profit margin added to my tuition bill.
