Please consider the following volunteer opportunities, and sign up for at least one area. We need everyone's help in order to offer the children the quality programs that they deserve.

As required by the Archdiocese, all adult volunteers who have direct contact with the children and youth are required to attend a three hour "Safe Environment Education" Program, read the Code of Ethical Standards and Mandatory Reporting Documents, sign and return the form that you have read the documents, and provide information for a Criminal Background Check.
