SUBJECT: Athletic Committee Meeting

- Review Financial Statement-Financial Status was reviewed. \$10,000 is allocated for locker room renovation.
- We discussed the league idea of whether to change the split of teams for the league to an A/B format vs the current Even split. Each school from the league will submit their vote to the league by Dec 1. It was decided that our vote will be NO.
- Greg mentioned that the 3 8th grade boys playing on a merged team with St Gabriel for volleyball is going well. The team is doing good and our boys are fitting in well with St Gabriel and having fun. We will try to continue this going forward.
- We review the team set up for this year. We will have one team at each grade. The only question is both the 7th grade girls and boys only have 7 players. Greg will have a meeting with the 6th grade parents and players to try and get 1 or 2 players to move up permanently. The alternative is to have 6th graders play on a rotational basis.
- Kim will prepare the Volunteer schedule for basketball like we did last year.
- Ray mentioned the new supplier for Athletic Clothing is Personalized Products in Hartford. He will try to get samples to display. Ray will send Greg the Order Form so that he can put it on the website. Order Due dates will be Sep 10, Nov 10, and Jan 15
- Equipment Needs Follow up
 1. Jay will check into new padding for the west end of the gym.
 2. Greg will check into cost of glass backboards for side baskets and electric motors too.
